Return to God. air: China

Oh! how I love
Jesus!!

1. Where has my wandering been? Oh, no! no more a flattering world
Absent from all that's good shall not my soul entice.
How long my soul abideth here? Henceforth, o Lord, thy sweet commands
Forgetful of thy God. shall be my only care.

2.

How quickly pass my fleeting hours
And to my rest tend!
All nature, every thing around
Informs me of thy end.

3.

And shall I still unrepentant be,
For thy soul secure?
But here in misery
For trials not judgment fear.

Thy judgments, Lord, now pierce my soul in
And share my woes with dread;
The voice of rigid justice ears
Like thunder o'er my head.

4.

But Jesus! cross thy mercies bring;
And calm my troubled spirits;
Tis in thy precious blood & hope
For peace and endless rest.

Passion Hymn

Christians who, of Jesus sorrows,
Can the doleful tale to hear?
See what streams of blood flow forth
Blood, ah! blood, at least a tear.
So for sins your own, devoted,
Bleeds the victim from on high.
By his sufferings animated,
For him live and fashion die.
In a lonely garden ² praying,
Conflicts wide opprest his soul;
Fear and hope his soul afflicting,
Stays by turns his will to rule.
Now both fear command impious ³ soul, O! power of grace and mercy.
Now strong effects love combines,
Love at length prevails victorious
He to death himself resigns.
Judas by blind fury guided,
Whilst a mean subversive hand,
With perfidious kiss intended
He betrays him to his foes.
Judas, like a lion, feigning
His offended God to appease;
With unshallow lips approaching
He betrays him with a kiss.
See now Jesus is forsaken,
Around him pass a ruthless band,
See his heavenly cheeks are smitten
By the merciless soldier's hand.
Faithful spirits, who with horror
View from heav'n the cruel deed,
Shelter I am, or armed with terror
Rising on them like lightning spurs.

Now behold your Lord appearing,
At mortal judges bar;
Hark! the pontiff's voice conspiring
Guilty the innocent declare.
Serpent pontiff, one day trembling
Thou'll be forced his power to own;
When to judge the world descending
Thundering clouds shall form his throne.
Ah! to stay the heavenly victim,
Hast a friend unite with thee?
Faithless Peter will not own him
He forsakes his Master's cause.
But, O! power of grace and mercy
Jesus look, a flaming dart,
Triumphant over his contumely.
Shame and grief fills Peter's heart.
Dragged to Pilate, sneer and smilest,
Yet supplies the sinner's place
Barbarous people, do ye shameless
Choose before him Barabbas.
Choose unworthy, sentence insipid
Gainst the just is here decreed;
Pride in triumph borne victorious
Conscience condemned to bleed.
4
In the midst of lawless soldiers
Jesus strip and silent stand,
Armed with scourges, raging tortures
On his blood embue their hands.
Stay your blow—ah! you're mistaken
Sins left is the blood you shed;
Wrath on us should have fallen
We the criminals should bleed.

Cruel foes, is not your fury
Gathered yet with wounded hosts?
Ah! to move the King of glory
Easily could he burst number,

And with thorns to crown your God of患難
Thus ye sinners, mock your Jesus
Piercing thorn entwines his brows.
While you crown yourself with roses,
And your life in pleasure flow,
Doom'd to death, new flame will thy care mankind, Oh! heavily lover,
Loaded with the fatal tree;
In his heart no sins departing
He ascends Mount Calvary.

Lo! his hands and feet impined
On the bloody cross he lies;
Streams of vital blood flow for you sinners, he's your sacrifice.
Now behold the man of sorrows
On the cross exulted high;
Suffering, bleeding, dying for us

Now behold salvation nigh
Satan, our great foe lies vanquish'd
Many a sinner has bruised his head; Grant, O Jesus, a may grateful,
Our redemption is accomplish'd

Jesus has our ransom paid.
Christians, hear his heavenly hymn
Hearken to his dying voice;
We blasphemy foes he pardons
For their gross and foul sin
Spare my numerous, gracious goodness,
Ah! they know not what they do;
Thus the Christian fought with meekness
Should forgive, and love his foes

See your lawless crew surrounding
And with thy cry aloud;

Let him from the cross descending,
Prove himself the Son of God.

But his love than all is stronger,
For your sake restrains his hand.
Ah! I deserve not, dearest Saviour,
Leave not then the tree of pain;

Save mankind, Oh! heavily lover,
On the crost hill death remains
But fulfil, o Lord, thy promise,
Draw our souls with chains of love;

Banish all death far from us,

Lead us to thy realms above.

15 He expires in sad convulsions,

Humble comfortless Beacons;

Trembling, echo woful groans.

With woe if we

Ah! will man a sight so woful

View alone with tearful eye?

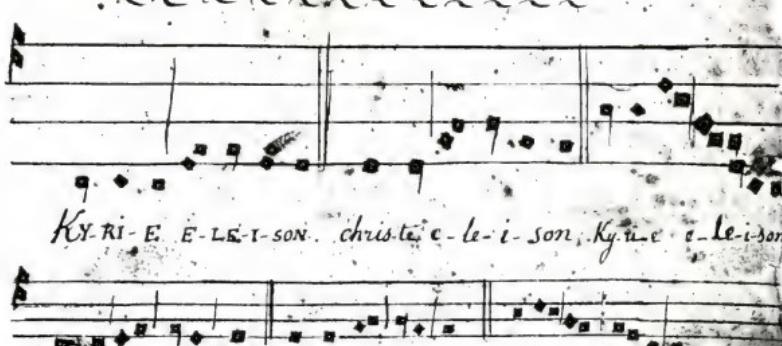

Grant, O Jesus, a may grateful,

With thee forever and into the vie.
